Previous guests : AMENDON, ELIAS, TAI SHIIN, SEATH, SETHAN.

Introductory words:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I will be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything in the hands of GOD'S antagonist. We know that we have to make the greatest contribution ourselves. – It is our aim to grow through spiritual TEACHING, then to be able to distribute the TRUTH to where it can fall on fertile ground. We are asking for GUIDANCE so that our MISSION on Earth will be justified. We cannot reach this destination under our own steam, without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

The meeting began with an opening meditation and a *materialisation exercise* under the guidance of the SPIRIT TEACHER MAGDALENA. This was followed by the *inspirational* part of the meeting with the MESSENGER of LIGHT EUPHENIUS.

Welcoming all present and the beginning of the questions.

EUPHENIUS: GREETINGS IN THE NAME GOD AND PEACE ACROSS ALL FRONTIERS!

This is EUPHENIUS speaking. We also welcome you very cordially and we are pleased about the fact that tonight's meeting was arranged. Times on Earth are currently marked by fears and inner, mental turmoil. We know that a lot of positive thoughts from your side find their way via the spiritual realm to bring LIGHT to the dark areas so that the souls there can proceed towards the LIGHT and thereby also advance towards their destiny. We thank all of you who are willing to employ time and thoughts for this offer of help in order to confront the negative WORLD. We *depend* on your cooperation so we can dissolve these inner constraints *together*, this will allow the LIGHT to flow into the dark SPHERES once again. - We will now begin with the automatic writing. I will report back to you later on.

The *automatic writing* part of the meeting began under the guidance of the SPIRIT TEACHER LUKAS.

LUKAS : GREETINGS IN THE NAME OF GOD! This is LUKAS writing. We are happy to welcome you here. Yes, there is still a lot to say about this, because it was a combination of human and spiritual cooperatives that brought about this disaster. This is also a part of this Earth's vicissitude. And as the negative, GOD'S antagonist, feels his powers waning; he strikes out blindly and uses every opportunity on offer.

You here, within this working circle, should not feel all too secure either! All it takes is a little impulse and discord on your part and our opportunity to transmit the TRUTH without discolouration is *curtailed*. We don't expect anything like that, but we had to warn you! Always take great care and exercise control over yourself instead of controlling others, this alone will keep you busy enough as it is. There would be fewer problems here on Earth if everybody would act like that and this particularly applies to spiritualistic circles we depend upon so much. Except for individual mediums, we would not be in a position to make our presence known without these spiritualistic work circles and most individual mediums do not enjoy the necessary PROTECTION you enjoy to such a high degree here. - Please ask your questions now.

Question : What kind of assistance do the souls, which have been so suddenly wrenched out of their physical bodies during the attack, receive from your side?

LUKAS : Well, every human being has their own GUARDIAN ANGEL to begin with and this Angel will appear to them once they enter the spiritual realm. But the question is, what will the person in question do with it, if he suddenly arrives here where we are and if he has never heard anything about GUARDIAN ANGELS? Everything would be so simple if he would give credence to this GUARDIAN ANGEL and if this soul would realise that basically speaking, nothing untoward actually happened to him -, apart from the loss of the physical body. Even his closest relatives are around him, even if they are of a different FREQUENCY.

The first things to arrive are prayers for help and strength sent to this soul from its relatives. A prayer for the departed effects an additional ENERGY CHARGE - as you like to call it. The GUARDIAN ANGEL then tries to explain the situation to this soul - and all one can do then is to wait for a reaction from this soul. What might happen is that this soul sends its GUARDIAN ANGEL away, but what might also happen is that its memory of the spiritual realm, of times long passed, slowly returns to this soul.

If a soul is hassled by negative ENTITIES in an unauthorised fashion, its GUARDIAN ANGEL can ask for additional HELP, because there is a continuous fight going on for every soul within the REGIONS of the spiritual realm close to Earth. Informed and steadfast souls on the other hand emanate a LIGHT that the negatives find very uncomfortable. This means that these entities keep away and there are no problems.

Question : Is it a case where even highly ranked ENTITIES, like for instance JESUS CHRIST, are presently active in the USA in order to guide these souls into the spiritual realm?

LUKAS : Is a GUARDIAN ANGEL not a highly ranked ENTITY? - JESUS CHRIST is *unswervingly* active for this Earth, because he is GOD'S GOVERNOR for this Earth and for the whole solar system. You can look upon it like this: The way you do not personally discuss your wish for higher remuneration with the chief executive of a corporation, but with one of his employees, CHRIST also has his HELPERS and they are authorised with enough POWER to make it possible for them to emulate him. The positive spiritual realm has many HELPERS and eminent ENTITIES who work within the earthly plan and under the guidance of the LORD we are also subordinate to.

We would like to thank you for these questions and we hope for more questions in regards to our theme of gene technology next week or at any other meeting. The SANTINER will report back to you in about two weeks.

GREETINGS IN THE NAME OF GOD!

LUKAS.

The second part of this *inspirational* meeting began under the guidance of the MESSENGER of LIGHT EUPHENIUS.

EUPHENIUS: GREETINGS IN THE NAME OF GOD! This is EUPHENIUS speaking. We would now like to continue this work with you here. Please ask your questions.

Question : In the last protocol, LUKAS wrote: “Well, we already indicated this to you during the Christmas meeting, namely that events would take place this year that would test your faith and challenge the very limits of your ability to comprehend. Things already began to crystallise then and any further encouragement through the power of thought would escalate the situation and this with life threatening consequences.” One of our readers wrote: “It would be nice if the SPIRIT GUIDES would announce their presence and warn us *before* a catastrophe. One can always write a lot after an event.” What is your opinion?

EUPHENIUS: In regards to this we would like to say that we are not authorised to forewarn you here on Earth, but that *you* are the ones that must that must exercise control over your biosphere and steer the circumstances of your existence. We, as the CREATOR’S MESSENGERS, are only authorised to give you *indications* of events so that you can *better understand* the things that took place.

The hint expressed during the Christmas meeting is to be regarded as follows, namely to engage you in a positive way so that you would send LIGHT to your planet Earth. It was to serve the purpose of denying the dark FORCES access *to even more* energy and it was designed to make you try to take control over your own destiny with the help of your abilities and your own ENERGY. To repeat this once again:

- *We are not allowed to interfere in the divine PLANS. We are not allowed to take control of your destiny. You and I mean all of you here on this planet are the ones capable of bringing about changes through the positive power of thought.*

What sense would there be if we talk about divine LAWS and you listen and read about them to then simply file them away somewhere? The assignment is to *apply* these divine LAWS in your everyday lives. Of what use is the possession of a wonderful treasure, if you do not allow it to see the light of day? But what do you do with this knowledge and what do you do with your abilities? - It is always easy after to say: “Why were we not prepared for this?” This is not our assignment and it will not be our assignment in the future either. From a divine POINT of VIEW you have received enough TOOLS to complete your MASTERPIECE here on Earth.

Question : Was the heralded disaster the reason why you called a clearly extended meditation group into being at turn of the year?

EUPHENIUS: We are dealing with indicators and we give them *from time to time*. But more often than not, they are ignored and simply put aside. Of what use is it to give you these indicators and to make you aware of them, if you do not apply them in your day to day existence? Are we supposed to take you by the hand like little children and to encourage you to do *your duty* here on Earth? We will *not do so*, because we are not the ones who control you and guide you. You are *independent* beings, equipped with a free will and with a divine CORE. If you are unable to harmonise this within you, you will not turn into the perfect human souls you think you should turn into.

Question : The video footage by the news channel CNN showed images of demonic faces and figures in the fumes of the burning Twin Towers of the World Trade Centre. Were these coincidental smoke constellations?

EUPHENIUS: These were *no coincidental* smoke images, but materialised, negative ENTITIES. This is how the DARK WORLD reveals their might to you, the way the LUMINOUS WORLD has shown you that ANGELIC BEINGS exist and that you are capable of experiencing things *beyond* your normal perceptions. The DARK FORCES now begin to reveal themselves perceptibly to you. These were *not just* indicators to you, but they also represented warning signals for us, from the spiritual realm.

Participant : Some newspapers already speculated whether one of the faces on the façade of one of the towers of the World Trade Centre might have been that of Nostradamus.

EUPHENIUS: These images are *not accordant*. These are negative materialisations from the DARK SIDE to show you that these dark PLANES are also capable of externally revealing themselves. Up to now, only *divine* APPARITIONS with materialisations from the *positive* side were in evidence. This has changed now. Satan also begins to reveal himself to you now. This is the proof that FORCES are present that have not been active in such a way before. The release of this ENERGY opened a GATE that was previously closed.

Question : What consequences will these terror attacks bring with them?

EUPHENIUS: What will happen is that you here on Earth - and this has already become apparent - will enter a severe state of unrest and that you will become baffled and insecure. Your political representatives are presently deliberating which counterattack is the right one. We, as GOD'S MESSENGERS, try to make contact with those in power through the local spirit entities so that they *ponder* and *recognise* the fact that to give like for like is *not* the right thing to do. I already mentioned this during the last meeting that this will only bring even more dark ENERGIES to come alive. We hope that your leaders recognise this and that they will not allow the dark SIDE to receive even more sustenance.

- *You can only conquer this POWER by sending your LIGHT, your LOVE, humility and your brotherliness in order to contain this dark LIGHT and to take its impetus away.*

Question : This will be difficult to explain to politicians. - In what way should one fight terrorism and how can one have an effect on hardened fanatics?

EUPHENIUS: This negative coinage, something you become acquainted with through the terroristic scene, has already existed in other centuries. It only had a different name and title. *Something* that has continuously repeated itself throughout your history *repeats itself* once again: You try to establish an opposing force and you don't realise that this is the absolutely wrong thing to do.

- *If you were to abide by the divine LAWS you would realise that this is not necessary. These dark SHADOWS would disappear, because they would no longer find a growth medium here on Earth. They would lose, because no soul would be willing to deal with their negative WORLD.*

Every soul here on Earth has its divine ANCHORAGE in the spiritual world. It is a human trait that compels many a soul to deal with the negative. This insight - if it was present within every human being - would have the result that people would choose the straight and narrow path and not walk into an abyss. This is the only way to fight against everything to do with the dark SIDE. There is no other way!

- *Of what use is eradication, if this only releases fresh, negative ENERGIES and other human souls fall prey to it? The only way to fight the negative here on Earth is the way your MASTERS have demonstrated to you in the past. Take a look at Gandhi; you can see just how much he achieved with his calmness and his linearity.*

Question : The commandment “Thou shall not kill” is not only regarded as binding and obligating by Christians, but by Jews and Moslems also. Why is it that especially those people, who explain that their actions were done in the name of GOD, show so little regard for this commandment?

EUPHENIUS: These people have *no connection to GOD*, but live *their own* lives. They use GOD as a pseudonym and as a weapon in order to blind other people.

- *It is an aberration to believe that GOD tolerates such behaviourism and it is wrong to mention GOD’S NAME in conjunction with something like that. It amounts to a blasphemy of the highest order!*

Question : From your point of view, to what degree does *every* human being on Earth bear *part of the blame* for the terrorist’s attack in the USA, a kind of collective guilt, because too little was done on a personal level to support peace on Earth?

EUPHENIUS: Blame and guilt are not the right denotations. You are here *in order to learn*. There is no *general* accusation for what has taken place now. You carry knowledge *within you* that enables you to select and to control your thoughts differently. We are not here to deal with the question of guilt, because this is not our assignment. Do not burden yourselves with things you can’t be blamed for. The blame for this catastrophe lies somewhere else. Be assured that no damnations will come from the SIDE of the spirit, on the contrary, you will be supported in your faith that the future will turn out fine.

Question : Will there be a war?

EUPHENIUS: We cannot and may not answer this here and now, because we do not know this ourselves. A *great many* negative and positive VIBRATIONS are presently flowing on this planet. We try - as you do too - to direct our thoughts in a positive direction in order to ENERGETICALLY harmonise so that something like this does not happen. But we are well aware that in spite of our support in the past, things have run a different course. We believe in you, in your steadfastness and in your trust in GOD and we know that *you also* send positive thoughts so this does not happen to you, Mother Nature, your Earth and your children.

Question : A memorable sign of the times were conjoint religious services between Christian and Islamic communities with reversed role play. Christian ministers sermonised over a Sura from the Koran, whilst adolescents read accounts of what people wrote on slips of paper about their faith. How do you assess such activities?

EUPHENIUS: It shows that in times of troubles, many religious communities *close ranks* so that the fears within their hearts are not realised.

- *It shows that it is possible to amalgamate various opinions and various topics in order to gain something positive from its entirety.*
- *It shows that as human beings, you are able to approach one another with respect and with dignity.*
- *It shows that it takes a catastrophe before you recognise that one can take responsibility for one's fellow man, one's neighbour and for all those that find themselves in dire situations.*

The funny thing is that you will only do so when something terrible happens. Any other time you try to curtail one another's development with envy and by playing the informer. A catastrophe offers the chance to close ranks and to recognise that the GOAL you have set yourselves is actually *much higher* than you first thought.

With this in mind, I would like to bring this meeting to a close and I ask you to carry out a closing meditation with us in order to send LIGHT into the dark SPHERES so that the souls there can be lead toward the divine LIGHT and so they can recognise that all of you are equal and not diverse and so that it will be acknowledged that all human beings are connected to and in contact with one another.

We are looking forward to the next meeting. TAI SHIIN will be with us then in order to answer questions and in order to tell you what the SANTINER would like to give you along the way during this earthly crisis situation. We hope that you recognise that *all of you* carry a great FORCE *within you*, there to have an external effect. Realise that the divine LAWS are TOOLS in your hands, there to help you exist here on Earth. - With this in mind:

EUPHENIUS and the TEAM.

Giving of thanks and good-byes. A short closing meditation followed to close the chakras.

Words from WHITE EAGLE:

Please learn to *accept* GOD'S WILL, because you know that HIS INTENTIONS are good and HIS THOUGHTS are wise, even though they might seem obscure at times. Something that might seem a bitter pill to swallow at first might turn out to be a new opportunity at a specific time; then through your disappointment and your pains the seeds for a spiritual harvest will be scattered.
