The answers to these questions were transmitted by TEACHERS from the SPHERES of LIGHT. Paranormal voices appearing within the protocol were captured on tape and are marked with T.B: (Tonband). Any words that are underlined are authentic with the original transmission. This working circle grew out of a meditation group and commenced its psychic activities on October 25th 1995.

- Meeting protocols : Extracts from P66, P67, P74, from the year 1998

Introductory words:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I'll be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – Our destination is to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our mission on Earth will be justified. We cannot reach this destination under our own steam, without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

Welcoming all present and the start of the questions.

Question : Dear LUKAS, during one of the past meetings you said that Noah's Ark never existed. Was there an actual biblical flood?

Answer : Oh, yes, there was a biblical flood, but it was limited and it *didn't* spread across the whole world. Many people lost their life at that time and only those that knew the scriptures had the opportunity to save this or the other from those times.

Question : Where exactly did this flood take place?

Answer : The biblical flood destroyed the whole area around the present day Mediterranean Sea. The wall of water was so high and enormous that the water reached the borders of Mount Ararat. The biblical flood was triggered by tectonic tremors which created the Straights of Gibraltar. A straight - as you know - that didn't have a name at the time. A similar event, but of a limited complexity, could take place somewhere else, but not as the constellation of the landmasses exists today.

Question : Are there still dormant volcanoes on Earth?

Answer : Oh yes and enormous caverns, created by underground nuclear tests and filled with highly radioactive dust. Woe, if ever cracks should appear! Compared to this, the biblical flood would be a minor event. Volcanoes and volcanic tremors will arise anew and old volcanoes will continue to erupt.

Question : We can therefore expect that volcanoes can erupt any time?

Answer : Yes, new ones and old ones and that at any time. - The SANTINER try everything to stabilise the Earth's axis and to rescue what can be rescued.

Question : We were told that there are higher forms of life than on Earth on other planets. What has the divine PLANNING in store for these planets?

(TB: People do not believe!)

Answer : The Earth will also continue to develop. Its path has been ordained, the way it is has been and the way it is with already higher developed planets. We are always talking about the *spiritual* EVOLUTION here! - An enhancement of the LEVELS of VIBRATIONS will take place, the way it has been taking place for a number of decades, in your case. These LEVELS continue into eternity. There is no end in sight in regards to this development...

(TB: ...through GOD.)¹

Question : What will happen to planet Earth once the development of the human soul has developed to such a degree that the WHEEL of LIFE (KARMA), has been broken through?

¹ It is interesting to note that this sentence was completed by the voice on the tape.

Answer : The Earth, with all the things that live and blossom on it, will be raised to a higher LEVEL of VIBRATION. Meaning that the planet *will continue to exist*, but this enhanced existence, brought about by the higher FREQUENCY, will be *invisible* to the physical eye and to physical instruments. The planet doesn't dissolve, but it *changes* to higher CONDITIONS of VIBRATIONS.

Question : Is there a parallel development of Earth in regards to other planets out there in the cosmos?

Answer : Unfortunately, not. *The Earth is one of the lowest centres in the LORD'S universe.* It would have been desirable, but the Earth's inhabitant's free will decided *against* it and all that remained for you was a life of suffering and despair, influenced by the antagonist.

Question : We know that we pass through various evolutionary cycles throughout our human existence. Do we also need our physical development to propel our mental, spiritual development?

Answer ; To begin with, your physical development *has not been concluded by a long shot.* As spirit controls matter, respectively *influences* matter, a suitably redeemed spirit will create a body for itself that *can live considerably longer* than your present-day body. Look at the life expectancy rates of the last century; it continued to grow parallel to the mental development.

Question : With immortality as its goal?

Answer : *Only* your ethereal garment, the *spiritual* body, is immortal!

Question : Are there similar planets to Earth?

Answer : Yes, there are other planets with a *similar* level of development to that of the Earth. But we know of no other planet that has such a strong relationship with GOD'S antagonist than the Earth. - Unfortunately!

Question : We were told that we have to become more ethereal, meaning that in REGARDS to VIBRATIONS, we have to mature on a conscious and on a mental level. Will we then be able to *consciously* see the SANTINER?

Answer : Yes, that is correct. The fact is that they have to *assimilate* their VIBRATIONS in order for you to be able to perceive them *at all.* Your physical eyes and your instruments are not able to see them or to perceive them. No radar in the world can track the movements of their spaceships if they don't want to be seen.

- *Only something HIGHER can visit and help something lower, but never the other way around.*

Question : Let's assume that Earth's humanity has reached the desired goal of its spiritual evolution. What would be its allocated level of development?

Answer : Development runs *continuously*. There is no sudden jolt. The divine PLAN does not foresee something like that. Your development will certainly proceed according to GOD'S PLAN. But the antagonist can *really* hold up this development, but he *cannot* stop it.

Question : Was the physical world and the biodiversity of life created because GOD felt alone?

Answer : No. The Earth was created to offer souls a chance, something they couldn't receive anywhere else. The original idea was to further expand the CREATIVE FORCE in order to fill the cosmos. GOD is never alone, because GOD accommodates everything a CREATIVE SOUL needs. The original idea is to equip the all-encompassing universe with CREATIVE SOULS in order to allow LOVE to grow everywhere.

Question : If the universe and matter was created according to the "big bang theory", were the appropriate natural laws present right from the start or were they established during the development of the universe?

Answer : This development has also grown step by step, parallel to the development of human beings.

Question : Therefore natural laws are not eternal, but grown parallel with the evolutionary process?

Answer : That is correct.

Question : Do atoms have a kind of soul?

Answer : They have an *animated part*. If you call that a "soul", we can affirm this.

Question : Do electrons have a spiritual function?

Answer : It is very difficult to clarify or to explain this. Electrons represent *only a part* of the VIBRATORY FREQUENCY.

Question : Do we find the other part within the non-physical?

Answer : It represents that which you cannot see.

Question : 65 million years ago the gigantic dinosaurs, which had reigned on Earth for nearly 160 million years, disappeared. Many varieties of plants and animals, in the water and on land, also died. What was the cause for this mass extinction?

Answer : The cause for this was that fact that a new age was heralded, adding another step in the HISTORY of CREATION, allowing the evolution of the human soul to progress. An external, physical effect caused this here on Earth.

Question : What influence did this catastrophe exert on the evolution and the development of human beings?

Answer : It enabled the development of human beings to *proceed*. The space needed by these enormous dinosaurs is now utilised by others.

Question : Were many catastrophes stopping the development on Earth in order to redirect it in other directions?

Answer : It is akin to a link in a chain that is added whenever a link disappears and two new links are added.

Question : Were these interruptions within the development discovered by scientist always the result of cosmic influences?

Answer : Influences here on this Earth in regards to evolution and changes always take place due to external influences.

Question : To what degree do processes inside the earth play a part?

Answer : The processes inside the Earth have not come into play in the past. But due to the exploitation of the Earth's resources, Earth's inner equilibrium can be destroyed.

Question : Is there life inside the Earth?

Answer : All we can say here and now is that VIBRATORY IMPULSES are situated there that hold a lot of energy and power, in order to maintain Earth's equilibrium. The civilisation you have contact with here on Earth do *not* come from inside the Earth, but from other planets.

Question : We assume that the SPIRIT TEACHERS have the gift of foresight. Just how far ahead are you able to look into the future of planet Earth?

Answer : Earth's future is always with us. - You would say: Every day, every hour, every minute and every second. We observe this day and we see the effect this day will have on the future. Every day has a different VIBRATION and also a different effect on the future. Everything is subject to change, just like your seasons and for your sake we, your spiritual BROTHERS AND SISTERS, hope *that whatever is on the agenda, will not take place*.

Question : I have a few more questions about Earth's future.

Answer : We will *not* answer any questions in regards to time!

Question : I will try to generalise here. The millennium is approaching. There are many people that make fun of this and maintain that the world will look exactly the same in the year 2,000 or 2,010 as it does now and that the heralded earthly changes, like tectonic quakes and the displacement of the continental masses, are esoteric fantasies, equally so the alleged evacuation by the SANTINER. What can you tell us about this, what does the actual situation look like?

Answer : The changes on Earth *have been initiated*. You can expect more powerful natural catastrophes, shifts of the Earth's axis and also climatic changes - and consequently, your lives will also change.

Question : Are we therefore adapting our existence to the development of planet earth?

Answer : With the work we do we are trying to change your consciousness. The aim is *not* to adapt like a chameleon, but for you to try to confront it in a divine SENSE.

Question : What do you know about Earth's magnetic field and about the reversal of polarity in Earth's past?

Answer : The Earth's magnetic poles have shifted and moved a number of times. Inner FREQUENCY DISTURBANCES add an additional, aggregative factor, which leads to heightened stress levels, inside and out. These FREQUENCY DISTURBANCES were triggered by your nuclear tests, which caused fractures that extended to the inside of the Earth, causing the inner structure, the Earth's inner clock to be damaged.

Question : What is the situation in regards to the mining of raw materials?

Answer : This more or less takes place within the upper layers of the Earth's surface. More destructive is your nuclear history, because every atom has an INNER PART that sends FREQUENCIES towards the inner Earth - and this is destructive! You are not able to measure these FREQUENCIES at the present time. Your present technology does not allow you to do so.

Question : A communication by the renowned "Washington Post" reported that a Japanese airline pilot sighted gigantic spaceships over the North Pole. This communication was also published in the "UFO-Nachrichten".² The article stated: "The significance of this

² Captain **Kenji Terauchi** (47) saw altogether three "unidentified flying objects" flying next to his jumbo jet on a cargo flight en route from Paris to Tokyo, via Anchorage. These UFOS were apparently observed for over 50 minutes until shortly before the landing in Anchorage. Next to Terauchi, there were also **co-pilot Takanori Tamefuji** and **flight-engineer Yoshio Tsukuda** present in the cockpit, witnessing the event. Both confirmed that several "extremely strange looking objects" were present in the sky next to and in front of their aircraft. The eyewitness reports of the crew of three were kept secret for 6 weeks, until one member of the crew leaked the story to the press. According to the report of the experienced pilot, the Boeing 747 flew at 35,000 feet (11,500m) at 525 Knots through clear weather, when three walnut shaped UFOS, one gigantic the others smaller, descended from above. According to Terauchi, two shining object were at a distance of 3.6km to 5.4km in front of the cargo plane and another one 600m below the aircraft. "We could clearly see these UFOS" the pilot reported, "one was large, twice the size of an aircraft carrier. Our Boeing 747 looked like a dwarf in comparison.

sighting must be taken seriously, especially because of its verification through the radar installations of the FAA and the US-Air force.” What can you tell us about this?

Answer : These spaceships serve the purpose of creating equilibrium between the Earth’s poles. Imagine a house that is relatively solidly build, but still needs an external “support” to make it more stable.

Question : What effect have reversals of polarity on nature and on human beings?

Answer : The whole climate will change and shift. Inundations will occur. Partial tectonic plate shifts will take place. Renewed volcanic eruptions will occur. You have to expect some tectonic shift in some areas.

Question : Measurements have established that the magnetic fields have been diminishing for a number of centuries. Just how high is the probability of a reversal of polarity on Earth?

Answer : What we would like to say to this is that a reversal of polarity *can* take place.

Question : Would the SANTINER have the opportunity to intervene?

Answer : The SANTINER will not interfere with your spheres of consciousness and will.

Question : Even if the whole world is wilfully destroyed?

Answer : I didn’t mean it like that. If it were to come to pass, the SANTINER are ready to fulfil their ASSIGNMENT here on Earth. The SANTINER - and this is actually what we meant by this - are *not here* to interfere and change your free will through inspiration. Otherwise they would obstruct your path.

Question : How stable is the Earth’s axis at this point in time?

Captain Terauchi immediately established contact with air control at Anchorage. Their response was that only the JAL plane was visible on their radar screens. “About 20 minutes later these bright objects moved to within 150m-300m in front of the plane, whereby they illuminated the cockpit for a number of seconds to such a degree that one might have thought it was daylight”, Terauchi explained. According to the reports of the FAA’s flight control centre, the UFO’S remained for at least 32 minutes with the B-747. Terauchi said that the alien aircraft followed them for 400 miles. Terauchi further reported that with the permission of the flight control centre, he and his crew tried to get away from the UFOS by descending 4,000 feet and by flying curves and by taking evasive actions. But the 747 could not outmanoeuvre these spaceships. Terauchi reported: “The weather radar in the cockpit located an object, flying about 12.6km-14.4km in front of their JAL aircraft, that was at least one and a half times the size of their jumbo-jet, but Anchorage repeated a number of times that they could detect nothing on their radar screens”. Terauchi added that he could clearly see the silhouette of the object (30 miles) from the city lights of Anchorage. Only then did he notice that two of the light in reality represented *a part of an enormous round object that was a number of dozen times the size of a jumbo-jet*. Captain Terauchi reported the incident as soon as possible to the JAL bureau and the National Aviation Authority of the United States. (FAA)

Flight control officers of the National Aviation Authority at first confirmed that they had traced this gigantic spaceship for 32 minutes with their radar, when it followed the cargo plane to Alaska. A speaker for the FAA later refuted this account. A speaker for NORAD (North American Air Defence Command) also made comments that they had not received any information in regards to a UFO in and around Alaska. *Paul Steucke*, a representative of the FAA in Anchorage said that his agency continued its investigations into this case. The radar recordings and the recorded radio communication with the pilot would be sent to Washington. **Yoshio Iowa (JAL)** answered: “The Japanese Airline decided not to pursue this incident any further, because they did not expect that an investigation would result in a satisfactory explanation” and he added that “captain Terauchi did not present a written report”. -

Annotation: It seems a bit strange when we are told that captain Terauchi did not submit a written report. Because all pilots throughout the world are obliged to make a detailed written account in their logbook of any events taking place during a scheduled flight. -

- Answer : Presently the Earth's axis is still stable. There is a possibility to preserve this Earth. At the present time the SANTINER are cleansing the air and are carrying out renewals within the realm of plants and minerals.
- Question : A number of scientists allege that it is not the poles that change sides during a reversal of polarity, but that the Earth tilts! How far is this statement correct?
- Answer : These "experts" are *no* experts. The catastrophe will begin at both poles.
- Question : Just how great is the probability that Earth will collide with a large piece of rock from space in the next years?
- Answer : There are a lot of rumours floating about in the press that meteorites will strike - some day. At the present time the Earth is well shielded by the spaceships of the SANTINER. The SANTINER dematerialise and disperse them.
- Question : I was asked the question: "What precautions can one take in this regard, if one doesn't know *when* it is going to happen?" I find this question absolutely justified.
- Answer : This is not quite correct. - What would be the use if I told you that the end of the world would be in the year 2003? - Live in the *here and now* and try focusing your consciousness, in a divine SENSE, on the CREATOR, so that the LIGHT ENERGY you emanate can shine around the world.
- Question : What would happen if you would give us credible predictions within credible timeframes?
- Answer : An inner panic would be the result. How could one guide these souls onto the correct path under these circumstances?
- Objection : In spite of all our knowledge - we don't know how we would react!
- Answer : This fear is human. Allow it to express itself, because this fear must find an outlet in order not to block the soul inside.
- Question : The passing of time on Earth is supposed to be different from that experienced by the extra-terrestrials that visit the Earth. What can you tell us about that?
- Answer : Time does not represent a hindrance to the extra-terrestrial anymore, because they possess a different body, a different lifestyle and also a different life expectancy. This has been overcome.
- Question : Why is there so much interest shown in planet Earth and its inhabitants?

- Answer : The Earth represents an important part for CREATION, for the CREATOR and is also an important part in HIS SEQUENCE of CREATIONS. If these souls would not turn to the CREATOR, the whole SEQUENCE of CREATIONS would collapse.
- Question : Are there other planets that look like the Earth and its population in regards to standard of living, appearance etc?
- Answer : Earth possesses a duality, namely the DIVINE *and* the antagonist. A similar development to the one this planet exhibits does not exist anywhere in the universe.
- Question : Is this in regards to the development of its flora and fauna or of its people?
- Answer : In regards to the development of the human soul. In regards to flora and fauna, there are numerous planets, because the souls must go somewhere, don't they?
- Question : Are human beings therefore only unique in regards to their connection with GOD'S antagonist?
- Answer : This is the pivotal point and therefore the uniqueness of this planet! The technological level of development cannot be compared to that of other planets.
- Interjection : One ought to emigrate to another planet and continue to live there.
- Answer : Continue as you are. After your earthly existence you will begin a journey to another planet.
- Question : Why is the positive SPIRITUAL WORLD so reluctant to give answers when it comes to questions about the future development of Earth? These questions intimately touch upon man's physical existence and are therefore more than appropriate.
- Answer : We can certainly imagine the fear that is associated with this. The fact is that we are also *limited* to a certain extent, when it comes to giving you messages, something we are *entitled to*. Many human souls have suffered great turmoil during the development of Earth's history in the past and that did not serve mankind's well-being.
- Question : Is it true that higher placed intelligences from space have created the foundation for the existence of the species homo sapiens, through the manipulation of the human genome?
- Answer : We can *negate* this.
- Objection : The bible tells us that in ancient past the sons of God procreated sons with earthly maidens, which were the Titans of ancient past.
- Answer : No. - The body of mortal man was created through *materialisation* by highly evolved ENTITIES. It represents a leap in evolution, whereby the souls here on Earth received their bodies. In regards to its functions and lifestyle, the body was assimilated to the life

forms present at that time. It was a higher mental form that took advantage to further its development here on Earth.

Question : Did this evolutionary intervention take place during the time of Neanderthal man?

Answer : The intervention took place *before*. It was *not a pairing*, but a materialisation, initiated by the CREATOR, in order to offer the souls here their historical development.

Question : Could the CREATOR have carried out these materialisations himself?

Answer : The CREATOR has such a high FREQUENCY of VIBRATION that the souls *would have been shattered*. HE does not want to destroy HIS children, HE want to see them grow and mature!

Question : There are ever more cases of hypnotic retrogressions reported wherein the hypnotised persons see themselves as extra-terrestrial visitors to this planet in past lives. How is something like that possible?

Answer : The declarations made during a regression into a past life *doesn't* mean that these souls were extra-terrestrials in the past, it means that they have spend some time away from planet Earth after their demise for educational purposes, and they bring back memories from that experience.

Question : In ancient times, enlightened ones are supposed to have come from Venus and this in *human form* in order not to seem alien. Is this correct?

Answer : No. - But how else can highly developed SOULS make contact with you, because your fears are overwhelmingly powerful, due to the presence of the antagonist and duality.

Question : Just recently one could read a lot about the weather phenomenon called “El Niño”³. Is this weather phenomenon directly connected to nuclear tests and a natural reaction by a sensitive nature?

Answer : No. This is not a natural event, but one brought about by extra-terrestrials. These “natural catastrophes” - in quotation marks - serve the purpose of enriching the sea with oxygen.

Question : Were only the SANTINER active up to now here on Earth or were other visitors present here in the past, people one might call “inquisitive astronauts”?

Answer : The Earth has been accompanied by the SANTINER right from the distant past to today, but INTERFERING FREQUENCIES caused by others (visitors) that have been here, have cropped up and they were not here because of an eminent ASSIGNMENT.

³ El Niño is a climatic anomaly in the South Pacific that has a life cycle of between two and seven years. In South East Asia and America, the effects of this weather phenomenon are dramatic. Whilst the underlying causes of this phenomenon are shrouded in mystery, the scientists can tell us pretty accurately what the circumstances are that cause an El Niño. They talk about an El Niño South Oscillation, which is after all a periodical fluctuation of the atmospheric pressures in the Pacific.

The SANTINER TAI SHIIN would like to further clarify your question.

GREETINGS IN THE NAME OF GOD!

LUKAS.

Question : A cordial welcome, TAI SHIIN. - The MESSENGER of LIGHT AMENDON told us that the anti-spirit only has access to planet Earth. It literally stated: "Lucifer has no chance anymore anywhere else." But this can actually not be correct, because aren't there also negative extra-terrestrials?

Answer : GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS!

I salute you. This is TAI SHIIN speaking. I am pleased to be able to answer your questions here through this medium. - Who told you that there are extra-terrestrial entities that are *negative*?

Participant: I am talking about abductions that are supposed to take place here on Earth and this *against* the free will of the affected.

Answer : These entities are attracted by the antagonist. They are materialised by the antagonist and they do not fit within the divine PLANETARIUM.

Question : Do they therefore simulate something and put the blame on you?

Answer : That is correct. These creations are manipulations and phantom images produced by the antagonist!

Question : Why do these entities also appear to children?

Answer : Because the souls of children *are open* and this gives these entities better access to these souls.

Question : I thought that particularly children would enjoy special divine PROTECTION?

Answer : Children live in INTERMEDIARY REGIONS, especially when they're asleep. They often move between LEVELS and often find themselves between an earthly existence and spiritual life and in this INTERSTICE access is very easy.

Question : Are these abduction real or do they only take place within the mind of the affected? Is the physical body actually transported?

Answer : They experience that their envelope, their body is removed from the Earth and later on they feel that in regards to time, there is a period of time missing. This period of time is

often filled in through hypnosis. These abductions are *against* the CREATORS WILL!
This represents the black magic of the antagonist.

Question : If the antagonist can materialise negative UFOS and their crew, could he not also materialise some kind of scary monsters?

Answer : Theoretically and also practically this would be possible. Even worse can and could take place!

Question : Can the human mind generate a thought of something that doesn't exist anywhere either physically or non-physically?

Answer : *That is not possible!*

Question : Are recorded stories reflections of experiences that re-emerge to the surface?

Answer : This is right. It is transported to the surface by the soul.

Participant: I have to say that a number of things have become clear to me tonight, things that did not fit together up to now.

Answer : We are pleased that we were able to answer these questions for you and we are grateful that this was possible. I will say my good-byes.

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS!

Your BROTHER from the STARS,

TAI SHIIN.

Participant: We cordially thank you for your kind words and we are looking forward to your next visit.

Participant: GREETINGS IN THE NAME OF GOD, dear ARON. I have certain reservations in regards to the validity and meaningfulness of our questions. How do you see this?

Answer : These questions are in line with your present mental and spiritual development. One cannot assess whether these questions are of a higher or lower significance. You will become aware of it yourselves, just how your questions become more complicated and more complex over the years and how their subject matter changes. You must grow as a circle, the medium must also grow and we, as a TEAM, must proceed with you on the same LEVEL of VIBRATIONS.

Question : Who will advance the circle, if you must *adapt* yourselves?

Answer : *You* are the pacemakers and *you* determine the tempo and the time.

Question : Theoretically speaking, could you also “drag us along”?

Answer : If we would do so, you would not be able to fathom the questions.

Question : Are UFO abductions real or were they invented by certain people?

Answer : Both. - As we mentioned before, we are *also* dealing with materialisations conjured up the GOD’S antagonist. A medium on its own couldn’t do this, a negative spirit entity couldn’t do this either.

- *It is Lucifer’s accumulated materialistic mental powers that bring about a lot of things that are inexplicable.*

Beyond that there are also con artists who hold the public’s spotlight in order to shine and court the favour of television stations. The SANTINER go about their BUSINESS unaffected by all of this. They can *only partially* compensate for the negative ENERGIES which emanate from the Earth. The LAW is called EACH TO HIS OWN and from an earthly point of view, it results with a resonance with the negative world, well, *even with Lucifer*, who tries everything, absolutely everything to win and to destroy the redeeming planet Earth.

Question : During a past meeting the question was raised as to whether highly developed souls like Ghandi could skip levels of development after their return to the spiritual realm, due to their activities on Earth? Your answer was: “This entity *already was* a highly developed soul; it didn’t need to skip anything.” This answer wasn’t quite intelligible, because even highly developed souls haven’t completed their development?

Answer : This is quite correct as it is portrait. What was meant here is that Ghandi was a highly developed and old soul here on Earth. In regards to the souls incarnated here, this soul occupies a *higher* level of eminence. This soul has already covered a lot of ground through the spiritual realm. The WHITE BROTHERHOOD is waiting for him.

Question : In spite of many false mindsets in politics and economy there are always a few that correctly predicted the great trends and events of the last decade - and this with astonishing accuracy. You once told us that you couldn’t make such predictions. How is this possible as you are not subjected to the limitations of the third dimension and therefore must have a completely different foresightedness?

Answer : Remember that we *utilise a human being* as a channel every time. We can only try to transmit these messages through the various mediums scattered throughout the world. There are a lot of highly developed souls here on Earth that enjoy *direct* contact with eminent ENTITIES and therefore are able to open a much better channel.

Question : During a past meeting it was stated that the souls incarnating these days exhibit a substantially higher VIBRATION than those who incarnated 50 or 80 years ago. In

contrast to this, statistics indicate that the rate of delinquencies ranging from theft to physical attacks, especially perpetrated by children and juveniles, is high and continuing to rise. What can you tell us about that?

ARON : We have to effect a correction here, namely that there are actually a higher number of highly evolved souls, but that the antagonist *increases* his activities against this planet because of these highly evolved souls.

Objection : Can highly evolved souls also regress again?

Answer : Remember, *everyone* has their free will and these souls are also subjected to tests. The soul of CHRIST also fell into the grip of the antagonist, but he managed to find a way to retain his DIVINITY and his beatitude.

Question : If one accepts the fact that souls have the choice to incarnate or not to incarnate on Earth *before* they are born, the question arises whether the parents bear any responsibility for the children at all?

Answer : The responsibility always remains with the individual soul. But the parents will always have a VIBRATORY CONNECTIONS with the soul that incarnates.

Question : One therefore cannot hold parents responsible when many children turn into criminals?

Answer : The responsibility remains with the respective soul and not with anybody else.

Participant: I would like to know the effect the meditation we held on Whitsunday had?

Answer : Oh yes, if only you could have seen the brilliance that surrounded you on that particular afternoon. You would have been moved to tears. Your ENERGIES were bundled by many SPIRIT ENTITIES that were present at the time and directed in such a way, that they greatly benefited the Earth and its damaged core, the effect of this hasn't actually finished, because the VIBRATIONS *continue to oscillate*. They would only dissolve and abate if this was what you like to or wanted to happen, through your thoughts. As they remain, they will continue to oscillate and help to stabilise your present home.

The ENERGIES were there to do so and you allowed it to take place. We were able to work with you. You create the basis for you work - or not. Apart from that, you were not alone: All around the world there were many people taking part in this, some alone, some organised, all of this irrespective of whether it is day or night in the respective countries. These thoughts, *actually all thoughts, are dependent on this and they zoom in on the target they have been sent to.*

Question : What was the result of this action?

Answer : You always have to see results, don't you? - But we understand. The future will tell us whether this concentrated FORCE of positive ENERGY is sufficient, because we cannot

foretell to what degree your leaders will *further damage* the world, be it through further nuclear tests or be it through other sins against the environment.

Question : You said that the VIBRATIONS of this ENERGY are still active. Would it be beneficial if we would continue to *refresh* this ENERGY during our opening meditation and then send it to our Earth in order to keep it alive, so that its ENERGY does not diminish?

Answer : Yes, it would be a real blessing, but you are unfortunately not yet powerful enough, because you, as a team, *do not yet* oscillate with the same VIBRATIONS. Once this has been accomplished, we will give you further instructions as to how to work with your POWER and ENERGY, on the one hand to benefit your circle and *simultaneously* to benefit the world.

Question : We can therefore only wait and hope that these VIBRATIONS have an effect on the world and that due to these VIBRATIONS, the consciousness of every human being continues to change. Do I see this correctly?

(TB: Yes.)

Answer : Yes. - Continue with what you are doing, you can't do more than that. Even if you would like to take four steps instead of one, remember that: All must follow you voluntarily, in unison. Once this is so, you can certainly begin to run -, literally speaking, as an example.

Participant: Unfortunately, our meeting is at an end. We thank all of you for an interesting evening and we look forward to the next meeting.

Answer : Yes, let us come to an end. We wish all of you a week of inner composure. Remain focused and do not allow yourselves to be perturbed.

- *Think about us, this will create a SPIRITUAL TIE with us and we will be able to help you alleviate situations that stress the world, similarly to what took place tonight.*

The TEAM and the STAR BROTHER TAI SHIIN greet you very cordially. All of us are looking forward to the next meeting with you. With LOVE, your FRIENDS.

GREETINGS IN THE NAME OF GOD - ARON.

(TB: All the best!)
